UPDATES

- **Pedestrian Plan** – Much progress has been made. Details can be found at LawrenceKs.org. It is in the public engagement period. Progress includes reducing speed limit to 25 mph in neighborhoods and collecting data for next phase, which includes sidewalks (quality, gaps in distribution and quality) ADA and land use code. Some challenges are presented by homeowners due to overhanging trees, grass cuttings, vehicles on sidewalks, etc. Education of the homeowner is important.
- **Donation Drive.** The PNA neighborhood provided excellent response to the elementary school's needs with items through the drop off and on the Amazon wish list.

TREASURER'S REPORT

- **Account balances:** Checking \$119.66; Savings \$223.14+; Petty cash \$169.29
- **Upcoming Expenses:** Coordinator (Nov. & Dec.) most likely depending upon E. Gardner's availability during maternity leave; winter newsletter late Dec./early Jan., approximately \$1000.
- **Grant from City.** An additional \$2,000 grant has been allocated to PNA.

PRESIDENT'S REPORT

- **Justice Matters:** S. Heiman met with them and discussed ideas on how to work together. They are coalescing information from many sources and will determine their priorities. PNA will post links to this organization's focus on its Facebook page, as appropriate.

BUSINESS ITEMS

- **Grant Reporting.** Neighborhoods receiving city grants submitted their recommendation for a form to report how the funds have been spent. No response yet. An update will be given in November.
- **Next Door App:** Pinckney has been updated to Pinkney Neighborhood.
- **Winter Service Project.** PNA to consider an Adopt-a-Family program for the holidays with the elementary school and/or with LMH. K. Walker to provide contact re: LMH programs. PNA to make determination of donation program at its November meeting.

ADDITIONAL REPORTS & UPDATES

- **LAN Report.** Nothing added to the Pedestrian Steering Committee report, which led off this meeting.

MISCELLANEOUS

- There will not be a December meeting.
